We plan a public meeting in the near future and will invite all candidates for office of Councilman, and Mayor to meet with us and the public, to answer questions which we plan to ask regarding Police, and city management. A summary of this meeting ~~These questions, and participant answers~~ will ~~then~~ be printed for the citizens to evaluate ~~take into consideration as they go to the polls in May and in November. We believe that citizens care, and that citizens will take action at the polls to provide for a quality city government.~~

QUESTIONS.....

182

1. We believe that the present police department is understaffed. How will you remedy this situation. Be specific- how large a department -how will officers be deployed, - use of professional or part-time officers? etc.

2. Will you insist that a full-time Police Chief be appointed who will have full responsibility and authority and with adequate support to develop an effective department, with good discipline and professionality?

~~3. Legally, police widows are entitled to 50% of compensation. Presently they are receiving 100% of compensation. How will you remedy this?~~

4-6-8

4. The Pension Funds of the Police and Fire Bureaus are under funded by more than 1½ million dollars. How do you propose to remedy ~~cure~~ for this. Since this is a contractual and legal matter what priority will be given to its solution? We understand State contributions are being withheld ~~also~~ until City complies with Auditor General's recommendations.

5. Home Rule Charter provides for the job qualifications of certain key appointed administrative personnel, a Managing Director Will you see to it that the charter qualification requirements are fulfilled? How?

6. According to Pennsylvania Law, all municipal records except wage tax information must be available to the public for inspection. Will
